Waterproof planks for residential
or commercial application

Colour Range

Miflor has taken the best qualities of traditional flooring and produced an outstanding product that can be used throughout the entire home. You can now use a wood look plank that is **100% Waterproof** in the Bathroom, Laundry, Kitchen and the rest of your home and it will withstand spills, scratches and moisture. It is simple enough to install with minimal effort installation system that is glueless and requires no underlay.

This is why Cypress Tranquillity Waterproof Planks are the number one choice for floating rigid planks in the industry, making it perfect for any environment and lifestyle.
